Divine Inspiration of The Bible

66 books written over a period of 1,500 years by over 40 different authors with 63779 cross references covering controversial subjects with zero contradictions.

Biology

DNA	Complex biological code. Information only comes from a mind.
Irreducible Complexity	The bacteria flagella is proof of design.
Symbiotic Relationships	Organisms have been designed to depend upon one another.
Superior Design	Biological systems operate with great efficiency and performance
