Rule 7: 2 Process

Rule 7: 2 Process (cont)

Rule 7:2-4 Summons; Execution and Service	Analysis	The rule makes provision for service of the summons by personal service or by ordinary mail or, if defendant does not respond to ordinary mail, then by simult-aneous ordinary and certified mail.
Rule 7:2-5 Defective Warrant or Summons; Amendment	Analysis	No person arrested under a warrant or appearing in response to a summons shall be discharged from custody or dismissed because of any technical insuff-iciency or irregu-larity in the warrant or summons, but the warrant or summons may be amended to remedy any such technical defect.

Rule 7:2-1Contents of Complaint, Compla-int-Wa-rrant (CDR-2) and Summons	Analysis	Contents of Complaint, Arrest Warrant and Summons. This rule collects and restates, in full text, all the provisions addressing the required contents of the complaint and summons or warrant in non-in-dictable matters of Part III as well as including traffic offenses. Issuance of process generally, arrest warrants and summonses are addressed by R. 7:2-2, 7:2-3, and 7:2-4 respectively.
Rule 7:2-2 Issuance of Compla-int-Wa-rrant (CDR-2) or Summons	Analysis	Issuance of Arrest Warrant or Summons. This rule collects the provisions respecting the issuance of process in municipal court non-indictable matters.
Rule 7:2-3 Warrants; Execution and Service; Return	Analysis	Warrants; Execution and Service: Return. This rule collects the provisions respecting the service and execution of either a bench warrant or an arrest warrant.
