

| HTML Setup               |                        |
|--------------------------|------------------------|
| HTML Doctype Declaration | <!DOCTYPE html>        |
| Head tag                 | <head></head>          |
| Title tag                | <title></title>        |
| Style tag                | <style></style>        |
| Body tag                 | <body></body>          |
| Comment                  | <!--example comment--> |

| HTML Character Entity References |                       |
|----------------------------------|-----------------------|
| <                                | &lt;                  |
| >                                | &gt;                  |
| &                                | &amp;                 |
| ©                                | &copy;                |
| non-breaking space               | &nbsp; (without dash) |
| "                                | &quot;                |

Character entities help avoid rendering issues which conflict with HTML, safeguard against more limited character encoding and provide characters not available on a keyboard

| Heading Elements |           |
|------------------|-----------|
| Heading One      | <h1></h1> |
| Heading Two      | <h2></h2> |
| Heading Three    | <h3></h3> |
| Paragraph Text   | <p></p>   |

| List Elements  |           |
|----------------|-----------|
| Ordered List   | <ol></ol> |
| Unordered List | <ul></ul> |
| List Item      | <li></li> |

| Links                             |                                                                                 |
|-----------------------------------|---------------------------------------------------------------------------------|
| Hyperlink tag                     | <a href="http://example.com" target="tab type" title="title">Clickable Text</a> |
| Hyperlink Reference               | href="same-directory.html" OR href="http://example.com" OR href="#example"      |
| Title                             | Link description which displays on hover                                        |
| New Window/Tab (target)           | _blank                                                                          |
| Anchor tag                        | <a name="example">Example</a>                                                   |
| Tag ID (section, h1, h2, p, etc.) | <tag id="example">Example</tag>                                                 |

| Images                       |                                                    |
|------------------------------|----------------------------------------------------|
| Image tag                    |  |
| Source                       | src="https://example.com/image"                    |
| Width                        | width="x"                                          |
| Height                       | height="y"                                         |
| Alt Tag (for screen readers) | alt="Example description"                          |
