### Court Hierachy

#### Magistrates

-Hears all criminal cases after somebody is charged

-Determines which court will hear the case -If the case cannot be dealt with by Magistrates, the offender will be moved to District court.

# A magistrate is an officer in court who can make legal decisions for minor offences.

Lawyers will often aim for a settlement before going to court for a trial.

#### The Basics

#### How Does a Law Get Made?

Starts as a bill>gets voted on by house of reps>goes to senate>is voted on again by senate>governor general>act of parliament>law

## What is the definition of the word Law? A law is defined as a formal rule to

determine how people and organisations are expected to behave.

Laws can also receive **amendments** to improve an existing piece of legislation.

**amendment**-a formal or official change made to a law, constitution or other legal document

# Court Hierachy

#### **District Court**

-Deals with more serious criminal/civil offences the magistrates court can't rule on -Is the first level of court to involve a jury on the decision making process

Anybody after an **appeal** from a magistrates court decision can move up to this court.

#### Appeal-a request to rehear or retry a case

#### Criminal & Civil Law

Criminal Law a driect result of a law being broken, usually punishable by jail time. Much more difficult to prove by just evidence.(must have proof of proof) Civil Law deals with disputes between people and organisations often involving money. The plaintiff can win simply by having more evidence than the defendant.

A civil case can be overruled by 'balance of probabilities'.

A criminal case must be 'beyond all reasonable doubt'.

### Key Terms

Bail- a paid agreement that	BAC- Blood
you will come to court to	Alcohol
face charges	Concen-
	tration
