## Chapter 1

### Motives

| Chapter 1                                 |   |
|---|---|
| Motives                                   |   |
| The<br>need<br>to<br>make<br>an<br>impact | hope to make a positive influence on those you serve. The need<br>to know you're making a positive difference in someones life.<br>When a client doesn't want to change, you become frustrated,<br>because you're worth as a person is too dependent on your<br>need to make a difference. Leading to disillusion and<br>disapointment. |
