Tree Diagram

Tree Diagrams are a way o answer questions related to probability, starting from the problem, 2 or more branches extend and 2 or more join each giving us a probability tree.
For examples, watch the 4 minute vids.

Tree Diagram (Video)

Venn Diagrams

Venn Diagrams are another way of solving probability questions which include 2 or more circles that intersect the middle is for both and the ones outward are not related.
Watch the videos for examples.
Enjoy!
