

Logging in

To login to your EST asset Use your EST email username and password, omitting the domain name. *Example:* "johnd"

Accessing the Wireless Network

EST WiFi Open your Identity app (*it looks like a white 'U' in a blue box located on the bottom right taskbar*) and toggle the switch labeled 'WiFi', making sure it lights up blue. Your asset should show the WiFi symbol on your bottom right taskbar to show you are connected.

Accessing the Wired Network

EST Ethernet Plug a CAT5 cable into a wall port and into your laptop's ethernet port. Your asset should show a computer with a wire connected on your bottom right taskbar to show you are connected.
