

Users and Roles

Users belong to **Roles**.

Roles have access to pages and content.

Create a new Role

Go to: <~/pages/security/Role.aspx>

Type in the **Role** name

Type in a description of the **Role** (can be the same as the name)

Click 'Save'

Click 'List' to go to the list of **Roles**

Give access to a Role

Go to: <~/pages/security/RoleList.aspx>

Click on the **Role** to edit

Update the details if necessary

Click on the *Page Access* tab

Check the pages that the **Role** should have access to

Click 'Save' to save the access

Click on the *Page Access - Administration* tab

Check the pages that the **Role** should have access to

Click 'Save' to save the access
