Profit

Profit

Raise Price Sell More

Lower Costs

Profit = Revenue - Cost

Profit Metrics

Gross Profit = Revenue-Costs of Goods Sold

Operating Income = Gross Profit - Overhead

Net Income / Profit = Op Income - Taxes

The Big Picture

The big picture of our main job: Contribute to Building a company experiencing longterm, sustainable, profitable growth.

How what we do fits into the overall picture of helping the company make money, achieve its strategic objectives, and be profitable.

Focus on overall business, not the operations of my department of division.

Senior management team wants the entire business to be profitable, not just a single unit.
