

### Introduction

The SDGs also explicitly include disability and persons with disabilities 11 times. Disability is referenced in multiple parts of the SDGs, specifically in the parts related to education, growth and employment, inequality, accessibility of human settlements, as well as data collection and the monitoring of the SDGs.

Although, the word "disability" is not cited directly in all goals, the goals are indeed relevant to ensure the inclusion and development of persons with disabilities.

Infographic that shows where disability is explicitly included in the 17 SDGs

The newly implemented 2030 Agenda for Sustainable Development holds a deep promise for persons with disabilities everywhere.

The 17 sustainable development goals (SDGs) to transform our world:
