

# Instructor Class Check List Cheat Sheet by [deleted] via cheatography.com/2754/cs/15239/

### Pre-Class:

- · Know your subject one level above what you are teaching.
- · Check the equipment for any problems.
- · Check the software for any problems.
- $\cdot$  Check your materials: do you have everything? Sign-in sheets, books, etc.

## **Beginning of Class**

- · Remember to get students expectations for the class.
- $\cdot$  Identify where the break areas are and negotiate when breaks will be taken.
- · Identify smoking areas.
- · Mention location of rest rooms.
- · Mention where refreshments can be consumed.
- · See if there are any special needs that participants need to make you aware of, ex. have to take medication at a certain time.
- $\cdot$  Provide information on making the environment more comfortable, ex. Adjustment of chairs, lights and temperature.
- $\cdot$  Identify your "classroom rules" such as how questions will be handled.

# **During Class:**

- · Reinforce your interest in them by using their names.
- · Don't forget to provide objectives and summarization.
- · Use good questioning techniques to gauge their understanding.
- · Watch for signs tipping you off to their learning/input style so you can gear your teaching to that style.

### **End of Class**

- · Identify any outstanding questions that you need to follow-up on: remember if you said you would get back to them on something it's a verbal contract
- · Please leave the room while students are filling out the evaluations. Have the students leave the evaluations in a designated area or identify a participant to collect the evaluations.
- $\cdot$  Return the software to its original start-up state.
- · Complete the instructor evaluation form if applicable.
- · Make sure all paperwork is properly filed.
- · If applicable distribute certificates.
