Personal Core Values Cheat Sheet

by [deleted] via cheatography.com/2754/cs/14442/

Introduction

Our core values highlight what we stand for. Core values guide our behaviors, decisions, and action.

When you know what you value, you can live in accord with those values. This leads to greater fulfillment. When you don't know your values, you violate them every day. This creates internal tension. And this tension triggers destructive habits and regressive behavior.
