

Decide Budget

1. Before you do anything else, you need to decide on a budget. This is important because the amount, as well as the quality of the furniture that you are purchasing. For instance if you have a large budget, then you may be able to go for teak or wicker, but if your budget is limited you may have to buy aluminium or plastic furniture.

Where to Place the Furniture

2. Once you have the budget figured out, you have to take a look at the view where you are going to be placing the furniture. If you have a large backyard then you could go for a big table, however, if you have a small patio then you may have to compromise a little on outdoor furniture Melbourne size.

Kind of material used in Furniture

4. Before heading out to the stores, you should know what kind of outdoor furniture material you are going to be buying. Also, remember to follow one theme with two to three contrasting colours in the overall setting.

Decide The luxury You are Expecting

3. Once you have done this, you will need to decide the amount of luxury that you want to provide for your family and friends. Also, you need to be mindful of how the backyard or patio is going to be used as this will determine what kind of furniture you will need to place.
