Drama Just the Text

Theatre Building, putting on the text/show

Perform "The world of performance and the world as

performance." Very broad, there are many parts of

a performance

Doing/Done Theory

Performance is both doing and something done.

Ex. is learning/writing = all things that are happening at the time. These things are also done because they are skills we have learnt before and have done before.

Performance is always doing, but also related to done.

Cultural expectations can also be based on something done.
