

### Biblical Prophecy

| Prophecy | Fulfillment |
|----------|-------------|
|----------|-------------|

|                                                        |                              |
|--------------------------------------------------------|------------------------------|
| Ability to Send Gifts<br>Worldwide, Revelation 11:7–12 | Amazon,<br>April 17,<br>2018 |
|--------------------------------------------------------|------------------------------|

|                                                       |                                          |
|-------------------------------------------------------|------------------------------------------|
| Worldwide Video Live<br>Streaming, Revelation 11:7–12 | Facebook<br>Live,<br>December<br>3, 2015 |
|-------------------------------------------------------|------------------------------------------|

|                                                         |                 |
|---------------------------------------------------------|-----------------|
| Israel Becomes a Nation,<br>Ezekiel 36:24, Amos 9:14–15 | May 14,<br>1948 |
|---------------------------------------------------------|-----------------|

|                                                                          |       |
|--------------------------------------------------------------------------|-------|
| The Destruction of<br>Jerusalem and the Second<br>Temple, Matthew 24:1–2 | 70 AD |
|--------------------------------------------------------------------------|-------|

|                                                   |          |
|---------------------------------------------------|----------|
| The Messiah Would Be<br>Crucified, Psalm 22:16–18 | 30–33 AD |
|---------------------------------------------------|----------|

|                                                                                 |          |
|---------------------------------------------------------------------------------|----------|
| The Messiah Would Be<br>Betrayed for 30 Pieces of<br>Silver, Zechariah 11:12–13 | 30–33 AD |
|---------------------------------------------------------------------------------|----------|

|                                                      |        |
|------------------------------------------------------|--------|
| The Messiah Would Be Born<br>in Bethlehem, Micah 5:2 | 4–6 BC |
|------------------------------------------------------|--------|

### Divine Inspiration of The Bible

66 books written over a period of 1,500 years by over 40 different authors with 63779 cross references covering controversial subjects with zero contradictions.

### Biology

|     |                                                                 |
|-----|-----------------------------------------------------------------|
| DNA | Complex biological code.<br>Information only comes from a mind. |
|-----|-----------------------------------------------------------------|

|                        |                                           |
|------------------------|-------------------------------------------|
| Irreducible Complexity | The bacteria flagella is proof of design. |
|------------------------|-------------------------------------------|

|                         |                                                          |
|-------------------------|----------------------------------------------------------|
| Symbiotic Relationships | Organisms have been designed to depend upon one another. |
|-------------------------|----------------------------------------------------------|

|                 |                                                                  |
|-----------------|------------------------------------------------------------------|
| Superior Design | Biological systems operate with great efficiency and performance |
|-----------------|------------------------------------------------------------------|
