

PHYSICAL EDUCATION

Physical Education is "education through the physical". It aims to develop students' physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and healthy lifestyle.

Physical Fitness is considered a measure of the body's ability to function efficiently and effectively in work and leisure activities, to be healthy, to resist hypokinetic diseases, and to meet emergency situations.

Types of Physical Fitness Test

• 50 Meters Sprint • Chair Push-Ups • Standing Long Jump • Sit and Reach • Sit Ups • 15 Minutes Walk and Run • 3 Minutes Step

Materials sa Pagsasagawa ng Physical Fitness test

tape measure • scotch tape • record sheet/index card
