## Class 2

Discovery: Most expensive part of case. Includes Interrogatory, deposition, document production

Federal Court Structure: US district courts > US court of appeals > US supreme cout

Jurisdiction: Can a court hear a claim and can they force the defendant to appear

#### Types of formation of Principal-Agent

Apparent Authority: Apparent authority exists when a third party reasonably believes based on the principal's actions that the agent is authorized to enter contracts on the principal's behalf

Agency by Ratification: If a principal approves or accepts benefits from actions of agent that have also accepted agent

written agreements

implied from conduct

#### **Independent Contractors**

Right to control test: a multi-factor tests to determine if agent is employee or independent contractor

When hiring a IC, you bargain only for results not for control

Contract wording does not determine if someone is an employee or an independent contractor, rather the nature of the work does.

#### Vocab

Deteur: a small deviation but still within scope of employment

frolic: a large deviation outside the scope of employment
