🏛️ Quotes

We're designed to be hunters and we're in a society of shopping. There is nothing to kill anymore, there is nothing to fight, nothing to overcome, nothing to explore. In that societal emasculation this everyman [Narrator] is created.

David Fincher

Nothing is static. Even Mona Lisa is falling apart

Tyler Durden

This is your life and it's ending one minute at a time

Narrator

It's only after we've lost everything that we're free to do anything

Tyler Durden

When you have insomnia, you're never really asleep... and you're never really awake

Narrator

You're not your job. You're not how much money you have in the bank. You're not the car you drive. You're not the contents of your wallet. You're not your fucking khakis. You're the all-singing, all-dancing crap of the world

Tyler Durden

🏛️ Quotes (cont)

On a long enough timeline, the survival rate for everyone drops to zero

Narrator

Listen up, maggots. You are not special. You are not a beautiful or unique snowflake. You're the same decaying organic matter as everything else

Tyler Durden

I found freedom. Losing all hope was freedom

Narrator

The things you own end up owning you

Tyler Durden

Narrator: You met me at a very strange time in my life.

Narrator

Man, I see in fight club the strongest and smartest men who've ever lived. I see all this potential, and I see squandering. God damn it, an entire generation pumping gas, waiting tables; slaves with white collars. Advertising has us chasing cars and clothes, working jobs we hate so we can buy shit we don't need. We're the middle children of history, man. No purpose or place. We have no Great War. No Great Depression. Our Great War's a spiritual war... our Great Depression is our lives. We've all been raised on television to believe that one day we'd all be millionaires, and movie gods, and rock stars. But we won't. And we're slowly learning that fact. And we're very, very pissed off

Tyler Durden

Is Tyler my bad dream? Or am I Tyler's?

Narrator

Sticking feathers up your butt does not make you a chicken

Tyler Durden
