

### Coordinating Conjunctions

When using Coordinating Conjunctions, the word order says the same if they were two separate sentences. Although be aware that sometimes you might take a few words out to make it flow better with a conjunction

Example:

Ich mag den hund. Ich mag die katze

(i love the dog. i love the cat)

ich mag den hund und ich mag die katze

(i love the dog and i love the cat)

-----  
Er will zu fahren. Er hat keinen Auto.

(he wants to drive. He doesnt have a car)

Er will zu fahren, aber, er hat keinen Auto.

(he wants to drive but he doesnt have a car)

-----  
Es ist nicht warm. Es ist kalt

(it is not warm. It is cold)

Es is nicht warm, sondern kalt

(it is not warm. but rather cold)
