Masu Stem (and its many uses)

Form the "masu stem" by simply removing from the polite nonpast form (or from the form, remov**enai** and change-[w]a to i). The result is called the **masu stem** (*renyoukei*), and has many uses.

Stem	Usage/Meaning	Example	English
+	want to ~		want to eat want to go
+ (wa)	no way I will ~		no way I'll eat no way I'll go
+ +	easy to ~ hard to ~		easy to understand hard to understand
+	~ too much		eat too much drink too much
+	while ~		while walking while working
+	in order to ~		in order to eat in order to see
