### **BEOWULF**

The first great work of English national literature.

The epic story of the hero Beowulf, who fights the demonic monster Grendel (man-eating monster).

Two parts

The epic hero is the central figure in a long narrative that reflects the values and heroic ideals of a particular society.

Beowulf was composed in Old English, which uses a caesura, or rhythmic pause, to create unity.

### SIR GAWAIN AND THE GREEN KNIGHT

Written by the unknown "Pearl poet."

Arthurian Romance in Alliterative Verse

Involves Sir Gawain's quest to confront the Green Knight, who has disrupted Arthur's court.

The Green Knight represents pagan fertility against Gawain's Christian chastity. A church reaction against "courtly love."

There is a movie called after this work, which is actually good.
