TeleDictation Service and Live Inteorpretors

please subscribe for 7 day free trial and then $50/Month

SpeechTrans makes dictation & transcription as easy as making a phone call. Call the TeleDictation phone number, enter your access pin, dictate through your phone, hang up when done. Audio dictations & text transcriptions are sent instantly via email within minutes upon hanging up. Throw that dictaphone away and forward your transcribed dictations to office staff via email from your mobile device. TeleDictation also offers HIPAA & Regulatory Compliance.

TeleDictation Service and Live Inteorpretors (cont)

Save office staff time, save money on costly typist services and let your staff focus on more important tasks. TeleDictation is the future of dictation and the future is now..

Live Interpreters

http://speechtrans.com/product/live-interpreters/

We understand that sometimes Automated Translation is not enough in situations which require highly specified translation needs. That's why we offer a full circle human translator backbone available at the access of your fingertips. We have over 10,000 experienced translators available 24/7 from any InterprePhone or IntelliConference automated call. Simply press 5 in the middle of the call and a live Human Interpreter will come on the line within 15 seconds. Our experienced translators are qualified in the following fields: Medical, educational, marketing reports, advertising, and business. Additional charges apply for live interpreters..
