Preface

Republic Act No. 10533

"Enhanced Basic Education Act of 2013"

It became necessary to overhaul not only of the basic education but also of the tertiary level by substantially modifying the general education curriculum (GEC) and trasferring some of the courses to the Senior High School.

GEC-Ethics is compliant to the requisite mandated by CHED Memorandum Order No. 20, series of 2013.

Introduction

Ethics

Comes from the Greek word "Ethos" meaning "custom" or "a manner of acting and behaving".

Focused on the general principles, rules, and theories on determining what is right or wrong.
