PHONE NUMBERS

CLASS 1 EXPLOSIVE *A17.2.9.1.*

(703) 697-0218/0219

OTHER HAZARDS: REQUIRES **BOTH** *A17.2.9.3.*

Domestic: 1-800-851-8061

International: 1-804-279-3131

SHIPPERS DECLARATION FOR DANGEROUS GOODS FORM

Copies of shippers declaration

CHANNEL	CHAPTER 3
At least **3 Copies** *A17.2.2.*	At least **2 Copies** *A17.3.1.*

---------- **KEY 2** Consignee----------

CHANNEL	CHAPTER 3
DODAAC or geographical location	IF CLASSIFIED, put "WORLDWIDE MOBILITY" *A17.3*

---------- **KEY 9** Airport of destination----------

CHANNEL	CHAPTER 3
3 digit port of debarkation or geographical location of airport	IF CLASSIFIED, put "WORLDWIDE MOBILITY" *A17.3*

---------- **KEY 11** UN, NA, or ID Number----------

When the criteria is reached for a Reportable Quanitity(RQ), ensure the letters "RQ" are before the basic description

----------**KEY13** Class and Division----------

REQUIREMENT Compatibility group letter to 3 digits if given. *example: 1.2.2D*
REQUIREMENT Inhabited Building Distance (IBD), in parentheses, in feet. *example: (08) 1.2.3D*

---------- **KEY 19** Additional handling information----------

If referred to a package paragraph (KEY 17) with handling instructions, Required to enter those handling instructions *TABLE 17.1.(-19.1.2.)*

IF CAA
Write "PACKAGING AUTHORIZED BY COMPETENT AUTHORITY OF THE UNITED STATES OF AMERICA"

NET EXPLOSIVE QD WEIGHT (NEWQD)
Required if transit and storage net explosive weights are different.

GRANDFATHERED MUNITIONS
Write "Government-owned goods packaged before January 1, 1990"

DOCUMENTATION (cont)

JERRICANS	Example
write PSN, Hazard class -*(Dash Required)* Number of Jerricans X Number of liters.	Fuel Aviation Turbine Engine, 3- 6 Jerricans X 19L

FUEL LIMITATIONS

CHANNEL MOVE

Vehicles	No more than **one-half full**. *A13.4.2.*
Internal Combustion engines and support equipment(SE) generators	No more than **500 ml** in engine components and fuel lines. *A13.5.2.*

CHAPTER 3

Vehicles	No more than **Three-Fourths full** *A13.4.2.5.1.*
Wheeled-engine powered SE generators	No more than **one-half** tank *A13.5.2.2.*
Non-Wheeled generators	Drained with no more than **500 ml** *A13.5.2.2.*

NOTES OF INTEREST

Passenger movement (P) codes

CARGO AIRCRAFT ONLY	PASSENGER AND CARGO AIRCRAFT
TABLE 4.2	
P1, P2, P3 P4	P5

EXEMPT UN performance specification packaging test requirements *Full list located at A3.1.1.1.*

-Limited and Excepted Quanitites	-Packages whos **net mass** exceed 400kg or 450L

Packaging Group III with hazard class 4.1, 4.2, 4.3, 5.1, or 8 **MUST** meet Packing group II specifications

Plastic drums or jerricans
Expire 5 years after manufacture date EXCEPT for re-usable containers *A3.1.14*

Requirement packing groups on all class 1 items
