

Overview

Kling 4.0 AI is an AI video generator for short clips. Create a video from a text prompt or animate a still image, with synchronized stereo sound.

Try it here: [Kling 4.0 AI](#)

Key Features

Text-to-video: generate a clip from a written prompt

Image-to-video: animate a still image

Clip length: 3 to 30 seconds

Resolution: up to 4K

Sound: synchronized stereo audio

Pricing and Credits

Free credits on sign-up

Paid plans from \$14.9/month

Quick Tips

Write a clear prompt that describes the subject, motion, camera and setting.

Use image-to-video when you need a specific look from a reference image.

Test a prompt with a short clip (3 to 5 seconds) before rendering a longer one.
