

### Welcome to the Cheat Sheet

As the name states, this is to identify the alts of the one and only **Dracula**.

### Dracula - Image He'd Send

### Dracula - Personality Traits

Loves **powerscaling**

Loves **arguments/debates**

Loves **Dr. Doom** particularly

**Toxic/rude**

**Condescending**

**Hypocritical**

### Dracula - Other Clues

1. Time zone is **GMT+2**

^ Check the screenshots he sends as the time will be shown, look up the message he screenshotted and you can find the time zone difference

2. Immediately **supports/defends Dracula** and his other alts

3. Suddenly **knows a lot about the server lore** though the alt will be new

^ All the time it includes him knowing about certain server members and how they act

4. Simps for **Emma Frost** in her **Hellfire Gala** fit

5. Uses the **:perso n\_f ace pal ming** : emoji a lot

6. Has the **exact same file names**

7. Will **put up a heated argument** in modmail post-ban, with **condescendingly, rude sarcastic comments**

### Dracula - Speech Patterns

\* **Beware of profanity**

says **"DA fuck"** instead of "wtf", "tf", "the fuck" like normal people do

says **"OK"** instead of the typical "ok", "okay" or "k"

says **"HMMMMMMMMMMMMMMMM"** a lot

says **"scaling"** religiously

does **\*\*<UPPERCASE or lowercase word>\*\***

^ eg: **"HE DID WHAAAAAT"**, **"Actually it was super easy"**

spells **"barely"** as **"barley"**

says **"technomagical"**

### Conclusion

Discusses **cosmic Marvel characters**

**Toxic POS**

Loves **arguing** and **"debating"**

Gets **close with mods** to avoid suspicions

If we see his alts by any chance, **BAN HIM !!!**
