## Cheatography

Maps IV Cheat Sheet by Morfalou via cheatography.com/194511/cs/40733/

General Rules	
Evaluation	Both Accuracy and Classification assigned to it
Ratings	
n/a	For ALL address results, including residential, streets and localities
IVA	
Correct	For Businesses, Corporations
	Can included modifiers (location, stylised logos and letters), it must be spelled correctly
Partially Correct	Can be recognised by the user but with minor and moderate misspellings, service level mismatches and missing or unnecessary name partes
Misspellings	Repeated, redundant or missing information or parts
	Inccorrect or missing punctuation or special characters
	Unnecessary or missing spaces
	Unexpected use of lower, upper case and ALL CAPS (excepted accronyms)
	Mix of expected languages
Service-Level mismatch	Example: Delhaize instead of official name of Delhaize Supermarkt
Holding name/Corporate structure	LLC, Inc. etc used in the result when the official business name doesn't have it
Incorrect Name	Severe misspellings that prevent the user from identifying the business (change in meaning, different word)
	Holding names completely different than the recognised name
	Missing or unnecessary parts of the name
	Slang and inappropriate language
	Using a previous name that's not a variation of the current name
Quelle Marife	
Can't Verify	Look at Can't Verify section

Classification		
General	Not every result will include a classification, if missing or n/a, don't demote	
Correct	Correct name with correct classification	
	Some classifications can be slightly too specific or general, as long as is not misleading, it's correct	
	Classifications can vary for similar POIs and per market	
Incorrect	Wrong classification	
	Misleading	
	Misspelled	
	Incomplete (missing parts or uncommon/odd abbreviat- ions)	
	Unexpected language or script	
Transit and Parking Names		

Summary		
Name or Title	Classification	Final Name Accuracy
Correctness	Accuracy	Rating
Correct	Correct or NA	Correct
Correct	Incorrect	Incorrect
Partially Correct	Correct or NA	Partially Correct
Partially Correct	Incorrect	Incorrect
Incorrect	Correct or NA	Incorrect
Incorrect	Incorrect	Incorrect

ransit	and	Parking	Names

Transit	
Indication	Optional and can be missing and still Correct
Intersection name	Some transit POIs can have a result title that's the name of the intersection
<i>Multiple transit</i> system out of the same station	Any of the systems can be included in the name to be <i>Correct</i>

Parking	May or may not have a name
Generic names	Parking, Garage or lot are considered <i>Correct</i> when no official name can be found
Official name	If official name, generic names are <i>Partially</i> <i>Correct</i>
Specialised	If specialised but not reflected on the result's name, rate it <i>Incorrect</i>
Business name + parking/garage/lot	Is considered <i>Correct</i> , without the "parking, garage, lot" suffix it's <i>Incorrect</i> (if no official name can be found)
