## International Human Resources Cheat Sheet by Natalie Moore (NatalieMoore) via cheatography.com/19119/cs/2201/

## Importance of HRM

Great people are a major resource in sucessful MNEs

Need to get right person in right job at right time for right \$\$\$

## Types of expatriates

Home country nationals

Third-country nationals

## Geocentric benefits

Managers may move between countries and cultures without losing their personal effectiveness

Difficult to develop and maintain

#### How MNE HRM

| Expatriate selection        | Screening execs re: desire<br>and potential for foreign<br>assignment. Screen for tech<br>exp, ability to adapt (self-mon-<br>itoring, social skills, sensit-<br>ivity) leadership. |
|-----------------------------|---|
| Expatriate<br>failure       | Manager goes home due to<br>bad results, rate of failure is<br>droping, higher in emergin<br>econs (India / China). Cost<br>can be high   |
| Expat<br>failure<br>reasons | Often failure of spouse / family to adapt   |
| Preventing<br>failure       | Prep programs for general<br>country understanding,<br>cultural sensitivity, practical<br>skills  |

## How MNE HRM (cont)

| Comp<br>packages<br>should | Motivate, maintain standard of<br>living, reflect responsibilities,<br>ensure after tax \$\$\$ won't fall,<br>maintain \$\$ equity among<br>peers, compete with industry<br>packages, be easy to admin |
|----------------------------|--|
| Repatr-<br>iation          | reintegrating the expatriate into<br>the home country. Can pose<br>work, \$\$, social problems. Find<br>right job for returning manager.   |

| Types of compensation plans |                                 |  |
|-----------------------------|---------------------------------|--|
| Balance                     | Equals \$\$\$ so expats have    |  |
| sheet                       | same purchasing power / living  |  |
| approach                    | standard                        |  |
| Typical                     | Base salary, foreign service    |  |
| package                     | allowance, fringe benefits, tax |  |
| includes                    | differentials                   |  |

## Define HRM

Activities to staff a company Difficult in international companies because of environmental, strategic and org challenges Trends in expatriate assignments

| frende in expande deeignmente |                                    |  |
|-------------------------------|------------------------------------|--|
| Time                          | < 1 year                           |  |
| Age                           | Trend to younger and older workers |  |
| Gender                        | Mostly male but female is rising   |  |

## Polycentric: Key Benefits

| , <b>,</b> ,              | ·   |
|---------------------------|---|
| Economical                | Local hire usually requires less \$\$\$ than an expat   |
| Nationalism               | Host countries prefer local managers  |
| Management<br>development | Giving top jobs to locals<br>attracts and motivates local<br>workers                              |
| Employee<br>Morale        | Local workers like to work<br>for local managers for<br>many social and cultural<br>reasons       |
| Expat failure             | Expat failure can be \$\$\$<br>and negative exp. Ceteris<br>paribus locals less likely to<br>fail |
| Local innovation          | Locals understand local markets so a sense of innovation ops                                      |

| Polycentric       |   |
|-------------------|---|
| Assump-<br>tions  | adapts to differences<br>between home & host, HQ<br>strategy DM, local adapts to<br>local market          |
| Advantages        | Acknowledges unique merits<br>of country, least \$\$ staffing,<br>makes host govt and staff<br>happy      |
| Drawbacks         | Complicates controlling and<br>coordinating, isolates ops,<br>reduces incentive for global<br>perspective |
| Appropriate<br>if | Multidomestic   |
