Importance of HRM

Great people are a major resource in sucessful MNEs

Need to get right person in right job at right time for right \$\$\$

Types of expatriates

Home country nationals

Third-country nationals

Geocentric benefits

Managers may move between countries and cultures without losing their personal effectiveness

Difficult to develop and maintain

How MNE HRM

Expatriate selection

Screening execs re: desire and potential for foreign assignment. Screen for tech exp, ability to adapt (self-monitoring, social skills, sensitivity) leadership.

Expatriate failure

Manager goes home due to bad results, rate of failure is droping, higher in emergin econs (India / China). Cost can be high

Expat failure

Often failure of spouse / family to adapt

reasons

Preventing failure

Prep programs for general country understanding, cultural sensitivity, practical

skills

How MNE HRM (cont)

Comp Motivate, maintain standard of packages living, reflect responsibilities, should ensure after tax \$\$\$ won't fall, maintain \$\$ equity among peers, compete with industry packages, be easy to admin

Repatriciation the home country. Can pose

work, \$\$, social problems. Find

right job for returning manager.

Types of compensation plans

Balance	Equals \$\$\$ so expats have
sheet	same purchasing power / living
approach	standard
Typical	Base salary, foreign service
package	allowance, fringe benefits, tax
includes	differentials

Define HRM

Activities to staff a company

Difficult in international companies because of environmental, strategic and org challenges

Trends in expatriate assignments

Time < 1 year

Age Trend to younger and older workers

Gender Mostly male but female is rising

Morale for local managers for many social and cultural reasons

Expat failure Expat failure can be \$\$\$ and negative exp. Ceteris paribus locals less likely to fail

Local Locals understand local innovation markets so a sense of innovation ops

Polycentric: Key Benefits

Local hire usually requires

Host countries prefer local

Giving top jobs to locals

attracts and motivates local

Local workers like to work

less \$\$\$ than an expat

managers

Economical

Nationalism

Management

development

Employee

Polycentric

Assumpadapts to differences tions between home & host, HQ strategy DM, local adapts to local market Advantages Acknowledges unique merits of country, least \$\$ staffing, makes host govt and staff happy Complicates controlling and Drawbacks coordinating, isolates ops, reduces incentive for global perspective

Multidomestic

HRM strategy

Great HR = high productivity, comp advantage, value creation

Company strategy and HRM should be integrated

3 types of staff policy

Ethnoc- Fill key positions with home entric country nationals

Polyce- Host country nationals

ntric

Geocentric Best people for key jobs regardless of nationality

Ethnocentric: Key Benefits

Command & Expatriates are familiar with control home country so can be counted upon to transfer processes

Local talent If shortage locally gaps

Social Symbolically and operatintegration ionally integrates policies, fortifies culture

Expats offset breakdown of

implement- policies in transfer

High turnover

Local

ation

locals

Expats have lower liklihood of defecting to a local company, Reduces IP loss.

Management development

Expat hard earned exp boosts knowledge and

promotes exec leadership
