Power BI Desktop Areas

1. Ribbon - common tasks associated with reports and visualizations.

2. Report view, or canvas - Where visualizations are created and arranged.

3. Pages tab - Select or add a report page.

4. Visualizations pane - Change visualizations, customize colors or axes, apply filters, drag fields, and more.

5. Fields pane - Where query elements and filters can be dragged onto the Report view or dragged to the Filters area of the Visualizations pane.
