structure	tax
-----------	-----

Sole proprietorship	individual income tax
---------------------	------------------------------

partnership	individual owner's income tax
-------------	--------------------------------------

corporatoin	corporatoin & shareholder tax
-------------	--

s corporatoin	see partnership
---------------	------------------------

LLC	see partnership
-----	------------------------

c-corps	double tax
---------	-------------------

Advantages & Disadvantages

Sole Proprietorships

Advantages

- Ease and cost of formation
- Allow a high level of secrecy
- Owner keeps all profits
- Flexibility and control of the business
- Government regulation is minimal
- Taxes paid only once

Disadvantages

- Unlimited liability
- Scarce external funding
- Owners need diverse skills
- Success is tied to the owner
- Lack of qualified employees
- Higher taxation

Partnerships

Advantages

Disadvantages

Advantages & Disadvantages (cont)

- Easy to organize
- Availability of capital & credit
- Combined knowledge and skills
- Swift decision making
- Government regulations are few
- Unlimited liability
- Responsible for each others' decisions
- A new agreement is needed if the partnership changes
- Difficult to sell a partnership interest
- Distribution of profits may be uneven
- Cannot find external funding as easily as large corporations

Corporations

Advantages

- Limited liability
- Ease of transfer of ownership
- Perpetual life
- Securing funding is easier than for other forms of business
- Expansion potential

Disadvantages

- Double taxation
- Expensive to form
- Disclosure of information to the government and the public
- Owners and managers are not always the same and can have different goals

Small Business

Small Business	Any independently owned and operated business that is not dominant in its competitive area
----------------	--

Small Business Administration (SBA)	An independent agency of the federal government that offers managerial and financial assistance to small businesses
-------------------------------------	---

Especially attractive industries to entrepreneurs:

- Retailing and wholesaling

Selling directly to consumers (*Restaurants, Dry cleaners, Drugstores*)

- Services

Attracts individuals whose skills are not required by large firms

- Manufacturing

Small manufacturers excel at customization

- High technology

Businesses that depend heavily on advanced scientific and engineering knowledge

Small businesses may obtain funding from their suppliers in the form of a trade credit	Suppliers allow the business to take possession of the needed goods and services and pay for them at a later date or in installments
