

### Dollar sign shortcuts

<code>\$_</code>	Value of most recently evaluated expression
<code>\$0 to \$4</code>	Last 5 most recently selected elements in the Elements tab (0 most recent, 4 oldest)
<code>\$("#")</code>	Alias to <code>document.querySelector("#")</code>
<code>\$\$("#")</code>	Alias to <code>document.querySelectorAll("#")</code>

### Debug

<code>new Error().stack;</code>	Returns the stack at the point of call.
