

### STUDY SESSION 1

What import substituting industrialization strategy	Advantage of diversification	Reasons for the poor performance of import substituting industries in Nigeria
---	------------------------------	---

Import substituting industrialization (ISI) is the setting up of industries that could produce light consumer goods which were hitherto imported locally.	The major advantage of diversifications is to create linkage in the economy for an enhanced, balanced development and growth	1. Low technology
---	--	-------------------

### Biodata

what is your name?  
john

why are you here?  
nothing

when will you leave?  
2pm

---

we shall get back to you. Thank you
