hunting and fishing	name says it all
languages	To understand foreign or ancient languages, roll for this skill
myths & legends	When trying to remember stories of old times or distant lands, or trying to understand links to the past, roll for this skill
performance	When singing a song, reading a poem, making jokes or in some other way try to amuse a crowd,

Skills (cont)	
persuasion	Roll for PERSUASION to make another person see things your way. If you succeed, you achieve your stated objective, and the NPC does what you want. However, they might demand something in return – the GM decides what that entails. If what you are asking for requires the NPC to sacrifice or risk something important, the roll is more difficult – it becomes an opposed r
riding	basic riding doesn't require skills, combat riding or performing complex moves, does
seamanship	not needed for simply rowing a boat or canoe, but steer or navigate a ship this is needed
sleight of hand	pick a lock, pickpocket, or do anything with fine motor skills, use this
sneaking	use vs foe's awareness. You can only sneak vs something you can see, you can't "just in case" sneak
spot hidden	look for concealed items. Takes a STRETCH
swimming	all heroes can SWIM without needing the skill. To do advanced things, like dive, stay under for long times, fight a strong current, etc. requires this skill
