

In the presence of a girl

Wear Shoes should be the clean and nice shoes
Shoes should be the cornerstone of your style. Nice shoes are the essential final piece for every outfit you put together

Find If you wear the correct colours that work for you
Colours for your skin tone, you will accentuate your good looks, whereas, wearing the wrong colors will be unflattering. As a rule, bright red, pale pink, teal, and eggplant, look good on all skin types

Dress See relevant info about for your body type

Wear Take your clothes to the clean and wrinkle-free clothes
Clothes dry cleaner, or wash your clothes after you wear them, being careful to fold or hang them so they do not wrinkle.

At Work

Dress Business formal
Business usually means wearing a suit, tie, dress slacks, and dress shoes.

Customers in a professional setting, such as a bank or office.

Dress Business casual
Business should still look professional but does not require you to wear a suit and tie.

Customers in a non-professional setting such as in retail, in a restaurant, or in customer service.

Dress to look older
Older If you're still wearing clothes that scream "student days" you're going to be treated like a boy with no experience in the real world. Buck the trend, age your look a little, and get the respect you deserve from older men.

If your work environment accepts this, roll up your sleeves.
Trick This little trick will unconsciously tell your boss that you are "ready to work". How to do it proper: <http://bit.ly/1C6tLD9>

With your friends

Own your style
Style You have to express your own style because nobody likes a person that is copying somebody else. Friends will be the first who notice that.

Don't pay attention to their critiques, unless they have a motive
Attention We all know that friends say bad things about us sometimes. You don't have to listen to their critiques and just dress however you like. But in some cases you need to pay attention to their motive, the next tip will be relevant in from this point of view.

If you have really close friends, business partners, or a group
Group Make sure that all of your outfits are on point, let's say you go somewhere together. This will increase the chances of people to look at you from a positive perspective

With your friends (cont)

Be yourself!
Friends You shouldn't care too much about how you look in the presence of your friends, in the end they are your people.

In the club/theatre/etc...

Don't wear your nicest clothes.
Clothes And let's be honest: no one's really going to appreciate the subtle lilt of your cashmere windowpane sports coat — not in this light, and not in here.

Don't wear black.
Light This may sound counterintuitive, but listen: clubs tend to be festooned with black-light bulbs.

Don't check your coat.
Heat Wear something that can survive the heat inside without you having to survive the coat-check line or whatever the hell is happening to your overcoat stuffed in the banquet over there.

In the club/theatre/etc... (cont)

Do not, The whole concept is kind of obnoxious,
under any really. And besides, sunglasses inhibit your
circumstanc ability to get a good look at whether a woman
es, wear is as attractive as upon first glance.
sunglasses.
