

CHAT - Store Associate Requests

Change RMS status: Only possible live from Shipped to Complete. Any other combination needs an escalation under the same topic as the endgoal + chatter @BBYCE Leadership

Address Change: Allow an escalation if done by a Store Manager, else, we follow the same limitations on them as online orders. If the change is incompatible, the store needs to cancel and redo their purchases

Cancel/Convert a Store Stock Transaction to become a Delivery: They can cancel the transaction themselves and redo it as a RIP delivery

Set an Invoice to be a (Fly By) Same Day Delivery: Transfer to the Driver's Escalation Line

Map/Add a Postal Code: HDS Address Change Escalation + Chatter to @HDCE Leadership

Reschedule Pickups: HDS Reschedule Escalation + Chatter to @BBYCE Leadership

Invoices missing from RIP: For Fitness Equipment/Appliances, have them email asachds@alorica.com so we can process the ticket

Store Associate Requests

EMAILS

Route Delays Strip Carrier/BBY staff contact info. Forward to HDS agents, CC asachds@alorica.com

Agent Requests Emails to carriers as per the Batline documentation. Ticket requests.

HDS SME Report Review comments and attached file. Coach agents by email. Validate cases using the new escalation guidelines and action as appropriate. (Any queue assignment can be done by a TL)
